

# Programmable Logic Controller Trainers (NAIS)

## PLC-FPOC14S

**EDU-LABS**

### Specification

1. NAIS PLC FPO-C14S 8 inputs, 6 outputs.
2. Programmable Memory EEPROM (No back up battery required)
3. Operation Speed 0.9u Second
4. Internal relay 1008 points
5. Special internal relay 64 points
6. Timer / Counter 144 points
7. Expandable (Optional to 16 I/O, 32 I/O etc.)
8. Come with aluminum storage case

### Accessories

1. Switching power supply (24VDC with overload protection)
2. SPDT momentary and latching switch
3. Pilot light 24VDC
4. Binding Post wired to I/O PLC
5. Binding Post wired to power supply
6. Male to male Experiments Test Leads
7. Voltage polarity selector switch
8. Traffic Light Control Simulation Training
9. Pre-Loaded PLC Ladder Sample Programs
10. Instruction & Experiments Manual
